

May 12-16

Our field trip to the Math-Science Nucleus was wonderful! Thank you to all of the parents who drove and chaperoned.

Homework

Read and get read to every night for twenty minutes.

- Math Skills
- Work on farewell note for Sister Mary Virginia
Due tomorrow!

Monday:

- Part 2 City Building Model Due!

The students will start presenting their projects today. We do a few at a time each day throughout the week. If your child is going to dress up, we will have him/her present on the day they bring in their special clothing and/or props. If a presenter is coming, you need to make arrangements with me. Any other special requests must be prearranged. Thanks for your cooperation, the buildings are so creative! You are welcome to drop by and look at the city next week before or after school.

- Review, sign, and return the Math Diagnostic Checkpoint.
- Math Skills
- Work on farewell note for Sister Mary Virginia.

Tuesday:

- I am sending home the *California Science* book for your child to read aloud to you. Read pages 133-137 and discuss the Lesson Review questions. Send it back to school on Wednesday.

Wednesday:

I am sending home our Social Studies book *I Know A Place* for your child to read aloud to you. Read pages 106-111 and complete the "Night Workers" *Study Guide*. Part A is a list. Part B should be answered in a complete sentence. Send it back to school on Thursday.

- Math Skills
- Handwriting page 95

Thursday:

• I am sending home the reader *A Canary With Hiccups*. Have your child read Pizza Time aloud to you. The readers are due back tomorrow.

- Math Skills

Spirit Week

Next week is Spirit Week. Monday, 5/19, is class Theme Day. The First Grade Theme is a day at the *Beach*. Help your child to come dressed as if she/he is going to the beach or a Luau. Please remember our school policy of no spaghetti strap tops, or open toed shoes. Students should wear play shoes with socks.
